

WAGNER FARM ARBORETUM, GARDENS AND LEARNING CENTER

*Join us in Our Efforts to Preserve
the Land for Future Generations*

In 2001, Warren Township purchased 92.6 acres on the site of the former Wagner Dairy Farm. A portion of the farm is now the Wagner Farm Arboretum. The members of the Wagner Farm Arboretum Foundation have a vision for the future of Warren Township and its surrounding communities. It is to preserve the compatibility between people, plants, and nature through conservation and education. We need your support now.

The Community Garden and the Giving Gardens were planted this summer and were a great success. Over 50 Community Garden plots were rented and the Giving Garden grew and gave to food banks over 1000 pounds of vegetables. We plan to begin the creation of the Children's Garden in the next few months.

The Arboretum will also offer special events, nature art and organic gardening classes to people of all ages.

Supporting the Wagner Farm Arboretum with a personal donation or grant through your company or organization will be an investment that will surely continue to renew and give back to the community.

To learn more the Arboretum and us please visit our Web site at www.wfafnj.org.
